Item #1: 4 Directions – DHS – Keira McMonagle

Ms. McMonagle gave a presentation to the community members on how her program works and who she works with being the first nation, metis & inuit students in the community and helps them achieve their goals to be successful

with the grades and continue to move forward to college/university. She also does a transition program with the grade 8 students as well. Informed them on the success rate with students and interact both with parents and students.

Item #2: Evaluation – Faye Zoccole

Drew introduced Mrs. Zoccole to the community. Mrs. Zoccole is doing a School Evaluation for this fiscal year. It is a AANC requirement – this is a report on how the school is doing – she will be visiting with the members with a questionnaire to be filled out. This evaluation is to ensure that our school is moving forward and is continuing being successful all around.

Item #3: FNSSP – Andrew Kivell

Mr. Kivell gave a brief outline on what this program entails and is offered through Bimose Tribal Council. What programs and services is gives to Migisi Sahgaigan School.

Item #4: Financial Report

With new financial staff and transition with new programing there has been delays for all managers not just education to know finances on a daily basis. We are working together and ensuring that we are following the budget and trying to keep up to date. We will have financial meetings at the board so members can answer any questions in the future.

Item #5: Policy Review

The Policy can be found on the website but you can receive a hard copy from the school. Please drop by if you would like one.

Item #6: School Membership:

We currently have 3 members in our board - Jenny Adams, Trisha Kavanaugh 7 Jordan Gardner – 3 have elected last night. New members are now Margaret Gardner – Elder, Frances Kavanaugh and Shaylyn Lands and Savannah Bondy. We welcome our newly elected members to Migisi Sahgaigan School Board.

Our next meeting is tentatively scheduled for the Spring of 2016. Meeting adjourned @ 7:15 am.
